FUN FACTS ABOUT APRIL!

- In the Southern Hemisphere, April is the seasonal equivalent of October.
- Those who were born in April have a diamond as their birthstone, which represents innocence. Their birth flower is either a Daisy or a Sweet Pea.
- The smaller animals that hibernate for the winter in the Northern Hemisphere usually start coming out of their burrows in April.
- Did you ever wonder how April Fool's Day started? It is speculated that the custom of April Fools began in France during the 16th century, after the New year calendar was moved from April 1st to January 1st. Those who continued to celebrate the April new year were considered fools, and often the victims of practical jokes. Today we just like to have a little fun with our friends!

ESTATES SPIRITUAL SERVICES

Ecclesiastes 3:1: For everything there is a season and a time for every matter under heaven

Dear Residents and Families,

It has been such a privilege to serve as your Campus Chaplain since October 2021. Being invited to hear your stories and share in your joys and sorrows is an honor.

As I was called to Woodbury Senior Living, I now find myself called away to other endeavors. I'm not sure at the time of this writing what that is yet. I know as I am sad to leave, I am also eager to wonder and rest and explore what may come in this next season of life.

My last day at Woodbury Senior Living will be Friday, April 19th. I look forward to sharing some laughs, hugs and maybe a few tears with you before I leave.

With gratitude,
Chaplain Shari Howell

Community Life is looking forward to the month of "Rainy Days Escapades!"

This monthly theme is made for crafts, games, and programs to better our well-being and to have fun during "rainy days"! Below is a list of crafts and other highlighted activities to look forward to.

Also, In the month of April, Community Life has on the calendar "Pampered Hands", this will take place on Mondays for 2 hours in the morning 10:00AM-12:00PM. This will be available to all Estates Residents. There have been many requests for nails to be done, so this extra time will ensure you are seen! CL Director will go around and put you on our sign-up sheet on Fridays and will give you a time to show up for your "appointment".

Reminder to all residents to put your Activity Calendar up in your apartment for the dates and times for programs!

Activities can be subject to change due to any illnesses or cancellations in the building. Community Life will update you if anything changes in the calendar by printing the day's activities with Tammy at the front entrance.
